

NOTI - DP Course Eligibility Guidelines

1. Introduction

This document outlines eligibility requirements for Dynamic Positioning (DP) courses conducted at NUSI Offshore Training Institute (NOTI).

DP training follows a structured pathway. Candidates must meet eligibility requirements and submit required documentation before payment and course confirmation.

Eligibility approval is mandatory for all DP course registrations.

2. DP Training Pathway Overview

DP training typically follows sequential stages:

1. DP Induction / Basic Course
2. Sea Time & Task Completion
3. DP Simulator / Advanced Course
4. Additional Sea Time
5. Revalidation / Certification (as applicable)

Candidates must complete each stage before progressing.

3. Eligibility — DP Induction / Basic Course

Candidates may apply if they:

- Hold valid maritime certification (Deck / Engine as applicable)
- Are entering the DP pathway

Required Documents:

- Valid Certificate of Competency (COC)
 - Passport
-

4. Eligibility — DP Simulator / Advanced Course

Candidates must:

- Successfully complete DP Basic / Induction Course

- Maintain DP logbook records
- Complete required onboard tasks

Required Documents:

- DP Basic Certificate
 - DP Logbook (including task pages)
 - NI Customer ID
 - Passport
-

5. Eligibility — DP Revalidation Course

Candidates must:

- Hold valid DP certification
- Meet revalidation requirements

Required Documents:

- Valid COC
 - DP Logbook
 - Valid DP License
 - Passport
-

6. Eligibility — DP Vessel Maintainer Course

Candidates should:

- Have technical / engineering background
- Be involved in DP system maintenance

Required Documents:

- Valid COC
 - Seamen's Book
 - Passport
-

7. Important Notes

- DP courses have stricter eligibility requirements than other courses.
 - Eligibility is verified by NOTI faculty before payment instructions are issued.
 - Course seat booking follows a first-come-first-serve basis after eligibility approval.
 - Submission of registration does not guarantee course confirmation.
 - Course seat is confirmed only after payment verification.
-

8. Application Process (DP Courses)

Typical workflow:

1. Registration
2. Document submission
3. Eligibility confirmation email
4. Payment instructions
5. Payment verification
6. Booking confirmation
